Dear Fellow Members & Friends,

We are organizing a visit to the S\$240 million highly automated, state-of-the-art Tiger Brewery which includes the Tiger brew house and the S\$40 million packaging facility, to find out "what goes into the brewing of beer?" - from raw materials used, to the processes, and refrigeration systems. Find out the stringent quality control used to ensure consistency in the brewing processes.

Program:

- Gather at the reception lobby at 6.15pm sharp (Tour starts at 6.30pm sharp).
- Brewery tour of the Brew House and Packaging Hall lead by friendly Brewery Tour Ambassadors.
- Fresh beer appreciation where you can tantalize your taste buds with the wide variety of quality brews at the Tiger Tavern and pick up tips on enjoying your beer (locally brewed beers will be available throughout the evening whereas Guinness Stout and imported beers will be available for sampling only).
- An exclusive Tiger Brewery gift will be given to each visitor and you can have a chance to purchase unique Tiger Brewery gifts at the Tiger Souvenir shop too.

Note:

Persons under 18 years of age will not be allowed in the Tiger Tavern.

All beer should be consumed in the Tiger Tavern and should not be brought out of the premises.

No outside food is allowed.

No smoking is allowed in the Tiger Tavern and the toilets.

Please submit your name together with NRIC number and car number (if any).
